Sales Team Spotlight for July

Hi Team

I'm Greg, and I am thrilled to be a part of the team here at SAA. My role as an Account Manager involves building strong relationships with our trade partners in NSW and QLD ensuring they get the most out of our product in terms of sales support, product knowledge and everything in between!

Outside of work, I am naturally passionate about travel, exploring new places, experiencing new cultures and most importantly new cuisines. Never afraid to try something at least once. I'm also a huge NRL fan, even though I have yet to see my team see a premiership in my lifetime, but hey next year is our year (as I keep telling myself). I also don't mind a bit of golf every now and then, where my ambitions far exceed my capabilities.

It's a privilege to join the team, I will look forward to connecting with everyone in the not-so-distant future and feel free to contact me via email on: GregoryAtkins@flysaa.com

While both QF & VA are permitted as Interline partners on SAA Fares, the connection process is simpler with connections to VA Domestic services.

Both **SAA & VA operate from PER, Terminal 1** and QF operate Domestic flights to/from **Terminal 4**, which involves a bus transfer to Terminal 1 to connect with SAA flights. This bus departs at 15-minute intervals from Terminal 1 and is of a 15-to-20-minute duration to Terminal 4. VA flights operate from the Terminal 1 Domestic gates which is a short walk from Terminal 1 International area where SAA flights operate from.
