Sales Team Spotlight for September

I am Vicki and was fortunate enough to have worked with The Walshe Group for 7 years prior to COVID as Sales Manager South African Airways WA/SA. With over 40 years in the travel industry, I have a strong background working with wholesalers and a passion for airlines.

During Covid I expanded my horizons and studied wine, completing two international courses and worked for a wine distribution company. Returning to SAA in February 2024 was a very happy experience. South Africa is my favourite holiday destination, with safaris being a highlight, offering you memorable experiences in wildlife viewing.

I am dedicated to Australian Rules football and while there is nothing better than the spirit of the game, my team West Coast Eagles have not done so well this year. I maintain a healthy and active lifestyle running most mornings 5 – 8 kms and on weekends enjoy 10 – 16 km walks with friends. In 2023 I achieved my personal goal and ran 21k in the HBF Fun Run with my daughter. I also have three amazing grown-up children and one gorgeous grandson. I love cooking and entertaining, if I am not at a football game or travelling in South Africa!

Certainly, I am enjoying the great opportunity with SAA as Sales Manager Western Australia and South Australia, working with Eve Kelly and Zen Ali in Perth WA. Thanks for all your support so far as our flight loads have been excellent and we look forward to potentially adding more services sometime soon.
